Service Description

Prepare yourself for employment or further study with a Certificate I (VU course code: 22301VIC) in Transition Education at Victoria Polytechnic. This course is designed for young people with special learning needs. You’ll gain independence, community awareness, and an understanding of other courses you can go on to study. You’ll also be more prepared to enter the workforce. This course will support your special needs, with a range of learning activities to develop valuable learning and social skills. You’ll explore: independent living personal development vocational and employability skills community involvement volunteering effectively basic literacy and numeracy use of everyday technology. We’ll help you find the best option for you after leaving school, whether that’s employment, volunteer work or further study. When you finish this course, you’ll have improved skills and confidence for your next step.
