Service Description

Emergency Relief Program Uniting aim's to provide a service that contributes to addressing emergency situations that impact on our people living within our communities. To provide a response that is non-judgmental, culturally sensitive and non-discriminatory. The program aims to provide assistance in the form of food parcels, material aid, utility bill payments, and assisting with school cost for families and individuals experiencing financial difficulty and in immediate crisis. Who is eligible?People from the community who are seeking Emergency Relief assistance must be holders of a current Centrelink Concession Card. Asylum Seekers are required to produce information confirming their identity and residential address, and provide a referral letter if involved with a case management agency.
